Proposed Order for 2010-2011	100	0	400	500	1000	100
Inventory for 2010-2011	415	496	743	641	1387	611

- 1) All the plaques are here tonight. Don't forget to pick yours up. If you can help deliver any plaques to other directors in your district that may not be here tonight, that would help a lot.
- 2) A couple people still owe for their medals or plaques and said they would bring the money tonight. I put an envelope in the plaques box, please place it in there. I will be stopping back later to pick everything up.
- 3) If you still need medals, send in an order anytime.
- 4) The plaques for concert band festival have said "March 20xx" on them for about 6 years. Since many are now going in February, I had to make a choice and just put the year on them. I looked through the plaques through the years and some had the exact date, some the month and some just the year over the past couple decades. We have to decide if we want to add another space on the form for the date of performance.
